The types of harps that may be used in performance include, but are not restricted to, pedal, lever, electro-acoustic, electric, and ethnic harps.
- 1.2. The official language of the Competition is English.
- 1.3. The competition consists of a recorded Preliminary round plus two live public rounds: the Regional rounds and the Finals. Applicants entering the live rounds of the Competition, hereinafter referred to as the 'Contestants', agree to participate in one of the live Regional rounds offered in three separate locations. During their participation, Contestants agree to comply with the instructions of the Competition Director and all team members responsible for the organization and management of the Competition, hereinafter referred to as the 'Organization', and accept the decisions reached by the jury of the Competition, hereinafter referred to as the 'Jury'.
- 1.4. By participating in the Competition, Contestants cede to the Stichting Dutch Harp Festival (Dutch Harp Festival Association), hereinafter referred to as the 'DHF', the right to record, reproduce and arrange for the reproduction of their performances during the Competition and the affiliated Dutch Harp Festival 2020, hereinafter referred to as the 'Festival', on any existing or future medium of recording, as well as the right to broadcast and distribute their performances by any existing or future medium of transmission, in the Netherlands and abroad. Additionally, Contestants waive all claims to remuneration arising from the use of the above-named recordings and distributions by the DHF.
- 1.5. Contestants are expected to use the original scores of the published works they perform and must be able to supply these scores to the Competition. The DHF cannot be held liable for any law infringement committed by a Contestant regarding public use of illegal copies.

- 2.4.2. Candidates admitted to the Regional rounds will be asked to sign a document indicating their full acceptance of the rules and regulations of the Competition. A signed version of this document must be returned within two weeks of receipt in order to admit the Candidate as a Contestant to the Competition. The signed agreement by which the Contestant accepts the regulations of the Competition shall constitute a contract between the Contestant and the DHF.
- 2.4.3. The registration fee cannot be reimbursed under any circumstances.
- 2.4.4. Candidates may not be rejected on grounds of ideology, language, political preference, race, gender, or sexual orientation.

  - All other documents enclosed with the application

- 
- 2.5.2. The data collected from the Candidates will be held securely by the Organization for a period of five (5) years following the Competition, after which it will be deleted. ## D. Competition

### 1. Preliminary round

- 1.1. The purpose of the Preliminary round is to reduce the number of Candidates advancing to the Regional rounds by restricting admission to Candidates whose audio recordings demonstrate the highest level of music excellence.
- 1.2. The Preliminary round will be adjudicated by the Preselection Jury. It will not be open to the public.
- 1.3. The Organization will prepare the audio recordings of the relevant Candidates in such a way that no identifying information is associated with them. The recordings will then be presented anonymously to the Preselection Jury in a randomized order.
- 1.4. The recordings will not be used for any other means than evaluating the Candidates during the Preliminary round. After the conclusion of the Preliminary round, the recordings will be saved in the Competition archives for a maximum of five (5) years.

## 2. Drawing lots

- 2.1. The purpose of the drawing of lots is to establish the order in which the Contestants will perform during the Regional rounds.
- 2.2. Contestants admitted to the Regional rounds will receive an email invitation and must subsequently complete an online acceptance form to confirm their participation. The names of all Contestants who have successfully completed this form by the indicated deadline will be entered into the drawing of lots. Contestants who indicate that they do not intend to participate in the Regional rounds or who do not complete the form will be considered to have resigned from the Competition.
- 2.3. The drawing of lots will be executed by the Competition Director in the presence of the Legal Official.
- 2.4. The order of performance as determined by the draw may not be changed, except in cases of force majeure, for which the Contestant will have to provide justification. The Organization will consider the causes given and make a binding decision.

## 3. Regional rounds

- 3.1. The purpose of the Regional rounds is to select a maximum of six (6) outstanding harpists from around the world to present their original program as part of the Festival.
- 3.2. The Regional rounds will take place in three separate regions—America, Europe, and Asia—on three different dates, so as to provide better access to the Competition for all Candidates, regardless of their country of residence. The exact dates and locations will be announced before applications are opened.
- 3.3. All three Regional rounds will be open to the public.
- 3.4. The jury adjudicating the Regional rounds, hereinafter referred to as the ‘Scouting Jury’, will consist of the same jury members in each location.
- 3.5. Each Contestant will be allotted 15 minutes to give a presentation pitching their Original Program to the jury, as set out in D3.7.1-5.
- 3.6. A maximum of six (6) Contestants, chosen from all three locations, will be admitted to the Finals.

### 3.7. Original Program Pitch

- 3.7.1. The purpose of the Original Program Pitch is to give the Scouting Jury a clear idea of what may be expected from the Contestant if they are admitted to the Finals, and to select the most compelling all-around artists for inclusion in the Festival program. Contestants are therefore encouraged to design a program which best characterizes them as a musician and depicts their artistic vision.
- 3.7.2. The Original Program must feature the Contestant playing the harp. Otherwise, the entire design of the program—repertoire, style, theme, staging, instrumentation, etc.—is free for the Contestant to create.
- 3.7.3. The Pitch must be presented in English and must include at least 10 minutes of performance on a harp.
- 3.7.4. Contestants are permitted to distribute supporting material as part of their Pitch, if they choose, but are limited to one (1) item per Contestant. Examples of supporting material are program notes or flyers. This is optional.
- 3.7.5. Contestants understand that, if their Original Program is selected for the Finals, they will be asked to develop it further, in collaboration with the DHF artistic director and festival producer.

## 4. Finals

- 4.1. The purpose of the Finals is to showcase the creativity and talent of harpists from around the world at the Dutch Harp Festival, and for the Competition Jury to assign 1st, 2nd, and 3rd prizes.
- 4.2. The Finals will take place in Utrecht, the Netherlands, on May 9th and 10th, 2020 as part of the Festival programming.
- 4.3. The performances will be open to all Festival attendees.
- 4.4. Performance agreement
  - 4.4.1. Each Contestant invited to the Finals will be asked to sign a performance agreement within two weeks of receiving their invitation. This agreement constitutes a binding contract between the DHF and the Contestant. If a Contestant chooses not to sign the performance agreement or fails to do so within two weeks, then their participation in the Finals will be considered forfeited, and the Contestant with the next-highest number of votes from the Regional rounds will be invited.

- 4.4.2. Contestants participating in the Finals agree to
- Finalize their travel arrangements to Utrecht no later than two months before the Festival. Before booking any tickets, the proposed travel budget must first be approved by the Financial Director of the DHF.
  - Submit suitable promotional material for their original program, as requested by the Organization. It is understood that the Contestant is responsible for any expenses incurred in the production of the promotional material.
  - Collaborate with the DHF Artistic Director to adapt their original program as needed.
  - Arrive in Utrecht in time for rehearsals with the Artistic Director and official competition producers and lighting technicians.
  - Present the final version of their original program during the DHF.
  - Participate in the final gala concert and award ceremony of the Festival.
- 4.4.3. The DHF agrees to
- Reimburse approved travel costs of Contestants participating in the Finals, upon their arrival in Utrecht.
  - Provide accommodation for Contestants during their stay in Utrecht.
  - Hold remote consulting sessions with Contestants to refine their original program in the months leading up to the Festival.
  - Organize in-person, guided rehearsals of Contestants' original program leading up to the Festival.
  - Feature the Contestants' original program in the Festival.
- 4.4.4. The jury adjudicating the Finals, hereinafter referred to as the 'Competition Jury', will attend all performances given by the Contestants, in their entirety.
- 4.4.5. The order of performance in the Finals will be left to the discretion of the Artistic Director.

## E. Jury & Voting

### 1. Jury

- 1.1. The Organization will assemble separate juries for each phase of the Competition. The Preselection Jury will adjudicate the Preliminary round of the Competition; the Scouting Jury will adjudicate the three Regional rounds; and the Competition Jury will adjudicate the Finals. All three juries will consist of different members. The terms 'Jury' and 'Juries' will hereinafter be used to refer to the Preselection Jury, the Scouting Jury, and the Competition Jury.

- 1.2. All Juries consist of an odd number of members. For the live rounds of the Competition, both harpists and non-harpists will be installed as Jury members. The majority of the Competition Jury will consist of non-harpists.
- 1.3. Jury members are chosen by the Organization for their international eminence in the world of music, without any regard to ideology, language, political preference, race, gender, or sexual orientation.
- 1.4. The Juries' sole mission is to rank the Contestants according to the procedure established by these rules. All secretarial activities of the Juries will be executed by an external functionary appointed by the Organization, hereinafter referred to as the 'Secretary of the Jury'. The Secretary of the Jury does not take part in the voting procedure. In the Preliminary round and the Regional rounds, the Organization will select one individual to perform the functions of both the Legal Official and the Secretary of the Jury. In the Finals, there will be a dedicated Secretary of the Jury appointed in addition to the Legal Official.
- 1.5. For the live rounds of the Competition, one of the members of the Jury will be appointed Chairperson, hereafter referred to as the 'Chairperson of the Jury', by the Organization. In the case of the Scouting Jury, the DHF Artistic Director will serve as Chairperson. The duties of the Chairperson are outlined in E2. No further discrimination is made between members of the Juries.
- 1.6. Immediate family members and other relatives of a Contestant, up to the fourth degree of kinship, may not serve on the Juries.
- 1.7. Members of the Juries may not have students who are Contestants in the Competition. In this context, 'student' is defined as a Contestant who has during the past year taken more than five lessons with the Jury member in question. In case of doubt, those concerned will refer the matter to the Organization, whose decision shall be final.
- 1.8. Contestants are not entitled to object to members of the Juries, but do have the right to lodge a complaint with the Legal Official, if they believe that Articles E1.6 and E1.7 have not been observed.
- 1.9. A list of the names of all Candidates will be given to each member of the Preselection Jury. Each member of the Preselection Jury will append his or her signature to the rules and to the list of Candidates to indicate his or her compliance with Articles E1.6 and E1.7.
- 1.10. A list of the names of all Contestants participating in the Regional rounds will be given to each member of the Scouting Jury. - 1.12. A list of the names of all members of the Scouting Jury will be given to each Contestant at the commencement of each Regional round. Each Contestant will append his or her signature to the rules and to the list of Jury members to indicate his or her compliance with Articles E1.6 and E1.7.
- 1.13. A list of the names of all members of the Competition Jury will be given to each Contestant at the commencement of the Finals. Each Contestant will append his or her signature to the rules and to the list of Jury members to indicate his or her compliance with Articles E1.6 and E1.7.
- 1.14. If compliance with Articles E1.6 and E1.7 is established to be untrue, the signatory in question will be excluded from the Jury or from the Competition.
- 1.15. Throughout the entire Competition, the Juries shall refrain from having any direct or indirect contact with any Contestant or his/her next of kin regarding the Competition.
- 1.16. Throughout the entire Competition, the Juries shall also refrain from making any statements about the Contestants or the activities of the Jury.
- 1.17. The Juries will vote by secret ballot.
- 1.18. The Juries shall refrain from any form of consultation.
- 1.19. If a Jury member is unable to attend one or more judging sessions, the Organization will be authorized to cancel the votes awarded by that member of the Jury for the whole of the round in question. If it turns out that one of the Contestants whom the absent Jury member has been unable to judge is ranked equal with another or others for the round in question, the Jury member in question may not take part in the tie-breaking vote.
- 1.20. In the case that a Preliminary Round is held, the complete lists of members of the Preselection Jury shall remain confidential until after the Preliminary Round of the Competition. The complete list of members of the Scouting Jury will be announced on February 1, 2020. The complete list of members of the Competition Jury, with the exception of the Chairperson, shall remain confidential until the commencement of the Finals.

## 2. Chairperson of the Jury

- 2.1. The Chairperson of the Jury oversees the relevant competition round(s) and ensures that the Jury's work is executed correctly. If, by his or her assessment, a member of the Jury has committed a serious breach of the rules, the Chairperson of the Jury is authorized to suspend that member immediately and to subsequently submit the matter for the urgent consideration of the Legal Official or the Organization.
- 2.2. In the event of illness or absence due to unforeseen circumstances, the Chairperson of the Jury will be replaced, for the entire Competition or for part of

- it, by the Organization. The person replacing the Chairperson of the Jury must meet all the requirements of Jury members listed under E1.
- 2.3. The Chairperson of the Jury announces the results of the relevant rounds of the Competition, herein faithfully reflecting the decisions of the Jury.
  - 2.4. If the Legal Official is called upon to pronounce judgment on a matter implicating a member of the Juries, he or she is obliged to hear the Jury member in question and the Chairperson of the Jury, where applicable.

### 3. Voting procedure

#### 3.1. General provisions

- 3.1.1. Members of the Juries may not exchange comments about Candidates or Contestants. Any discussion concerning Candidates or Contestants will lead to the suspension of the Jury member having caused it.
- 3.1.2. The Secretary of the Jury and the Legal Official will be responsible for counting the ballot papers given to the Secretary of the Jury by the Jury members, and for tallying the votes. The Competition Director will supervise this process.
- 3.1.3. The votes will be tallied in a closed location. No one aside from those mentioned in Article E3.1.2 may enter the room where the votes are tallied.
- 3.1.4. Any correction on a ballot paper must be initialed by the Jury member in question and the Legal Official. If a ballot paper presents difficulties in reading that could result in an error, the Legal Official or the Secretary of the Jury may ask the Jury member to complete a new ballot paper.
- 3.1.5. All voting and tallying operations are confidential. The only results to be announced are the designation, without indication of ranking, of the Contestants admitted to the Regional rounds and to the Finals, and the ranking of the three finalists.
- 3.1.6. The ballot papers, signed by the Jury and later sealed by the Legal Official, will be kept in the Competition archives for at least one year. The seals may only be broken with permission of the Legal Official.
- 3.1.7. All cases not accounted for in the Jury regulations taking place during the Preliminary round will be decided by the Organization.
- 3.1.8. All cases not accounted for in the Jury regulations taking place during the public rounds of the Competition will be decided by the Chairperson of the Jury, in consultation with the Organization.

## 3.2. Preliminary Round

- 3.2.1. The Preliminary round will be adjudicated by the Preselection Jury and facilitated by the Competition Director and the Legal Official. It is not necessary for this round that the members of the Preselection Jury be physically present in the same location.
- 3.2.2. The Preliminary round will consist of an anonymous review of the written program proposals and recordings.
- 3.2.3. During the Preliminary round, the identities of the Candidates participating in the Preliminary round will remain anonymous to all members of the Preselection Jury. Prior to the Preliminary round, the Competition Director will assign a random number to each submission and label all program proposals and audio recordings accordingly. Only the Competition Director will know which numbers correspond to which Candidate. The Preselection Jury is not permitted to know which names correspond to which numbers until after the conclusion of the Preliminary round.
- 3.2.4. For each submitted audio recording, each member of the Preselection Jury will start listening from the beginning but may stop listening when he or she has received sufficient information to evaluate it. In the event that two or more members of the Preselection Jury are listening in the same room, the recording may be stopped only once all Jury members have indicated that they have heard enough.
- 3.2.5. To adjudicate the Preliminary round, each member of the Preselection Jury will receive a ballot paper listing the submissions by number. For each submission, each member of the Preselection Jury will indicate whether they wish to admit the corresponding Candidate to the Regional rounds by indicating 'YES' or 'NO' under the heading 'May proceed to the Regional rounds. There is no limit to the number of 'YES' votes that may be given by a member of the Preselection Jury. The ballot papers, signed by all members of the Preselection Jury, will accordingly be given to the Legal Official.
- 3.2.6. Once all the ballots have been collected, the Legal Official will record how many total 'YES' votes each Candidate received. For each location of the Regional rounds, the Organization may then decide either to admit all Candidates with three 'YES' votes, all Candidates with two or more 'YES' votes, or all Candidates with one or more 'YES' votes. Candidates with no 'YES' votes will not be admitted to the Regional rounds. With regard to admitting Candidates to the Regional rounds, all Candidates with the same number of 'YES' votes per region will be given equal treatment.

- 3.2.7. Depending on the results, and without having knowledge of the identities of the Candidates in question, the Organization will decide where to establish the cut-off point between the Candidates admitted and Candidates rejected, in such a way as to maximize the number of Contestants for each region without exceeding that region's capacity.
- 3.2.8. Candidates who indicated second- or third-choice options for the region will be considered for those regions as well as their first-choice region. If by following the tallying and selection procedure outlined in articles E3.2.5-8 a Candidate is eligible to participate in more than one region, the Candidate will be admitted to the region that they ranked highest in order of preference. Each Candidate may only be admitted to one region.

### 3.3. Regional Rounds

- 3.3.1. The Regional rounds will be adjudicated by the Scouting Jury and facilitated by the Organization and the Legal Official.
- 3.3.2. To adjudicate the Regional rounds, each member of the Scouting Jury will receive a ballot paper with the names of the Contestants participating in all three regions. Based on their evaluation of each Contestant's performance, each member of the Scouting Jury will indicate whether they wish the Contestant to proceed to the Finals by indicating 'YES' or 'NO' under the heading 'May proceed to the Finals. In addition, each member of the Scouting Jury may assign preference votes to three of the Contestants by marking a star (\*) next to their 'YES' vote. There is no limit to the number of 'YES' votes that may be given by each Jury member, but the maximum number of preference votes is three (3). The ballot papers, signed by each member of the Scouting Jury, will be collected by the Legal Official at the conclusion of the third Regional round.
- 3.3.3. Contestants will be ranked according to the total number of 'YES' votes and preference votes (\*) awarded by the Scouting Jury. The ranking is as follows: 3\*\*\*, 3\*\*, 3\*, 3, 2\*\*, 2\*, 2, 1\*, 1, 0. A maximum of six (6) contestants with the highest rank, regardless of region, will be invited to participate in the Finals.
- 3.3.4. In the event of a tie between Contestants for the last place in the Finals, there may be a tie breaking vote. A tie breaking vote will only be held if the Contestants involved in the tie received two or more 'YES' votes.
- 3.3.5. In the case of a tie breaking vote, all members of the Scouting Jury will receive a new ballot paper with the numbers of the equally ranked Contestants. Each member of the Scouting Jury may indicate their preference for one (1) of the Contestants involved in the tie.

- 3.3.6. If the outcome of following the procedure in Article E3.3.5 reduces the number of Contestants involved in the tie, the same procedure is repeated until the number of Contestants selected for the Finals does not exceed six (6).
- 3.3.7. If an unsolvable tie arises after following the procedure in Article E3.3.6, the Chairperson of the Jury will decide which Contestant(s) will be admitted to the Finals.

### 3.4. Finals

- 3.4.1. The Finals will be adjudicated by the Competition Jury and facilitated by the Organization and the Legal Official.
- 3.4.2. To adjudicate the Finals, all members of the Competition Jury will receive a ballot paper with the names of the Contestants. Based on their evaluation of each Contestant's performance in the Finals, each member of the Competition Jury will submit their own ranking of the Contestants, with 'First place' being judged to be the best, 'Second place' the second best, etc. The ballot papers, signed by each member of the Competition Jury, will accordingly be given to the Legal Official.
- 3.4.3. The Secretary of the Jury and the Legal Official will fill out a tally form, recording how many times each Contestant was ranked in first place, second place, etc. The Contestant with the most first-place votes will be the first prize winner. In the event that two or more Contestants receive the same number of first-place votes, the second-place votes will be considered. If this still does not resolve the tie, the third-place votes will then be considered, etc.
- 3.4.4. After the first prize winner has been determined, five Contestants remain. Of these five Contestants, the one who has received the most first-place votes will be the second prize winner. Any ties will be resolved using the same procedure as outlined in E3.4.3.
